- Mandatory drug testing to personnel conducted; none of them tested positive for drug use.

2021 was a challenging, yet fruitful year for PDEA and the government's anti-illegal drug campaign. Forward, PDEA will continue performing its mandate to make the Philippines a drug-cleared and drug-resistant country.

***"Anti-drug operations will never stop, not even this pandemic could hinder our determination to deliver our promise of a drug-free Philippines in the future."***

***- Usec Wilkins M Villanueva, PDEA Director General***

# THE PHILIPPINE DRUG ENFORCEMENT AGENCY (PDEA)

PDEA was created on June 7, 2002 pursuant to Section 82 of the Republic Act 9165, or The Comprehensive Dangerous Drugs Act of 2002, to serve as the implementing arm of the Dangerous Drugs Board and to be responsible for the efficient and effective law enforcement of all the provisions on any dangerous drug and/or controlled precursor and essential chemical as provided in the Act.

## POWERS AND DUTIES OF PDEA

Pursuant to Section 84 of Republic Act 9165 and its IRR, as amended, PDEA performs the following powers and duties:

a) Implement or cause the efficient and effective implementation of the national drug control strategy formulated by the Board thereby carrying out a national drug campaign program which shall include drug law enforcement, control and prevention campaign with the assistance of concerned government agencies;

(b) Undertake the enforcement of the provisions of Article II of this Act relative to the unlawful acts and penalties involving any dangerous drug and/or controlled precursor and essential chemical and investigate all violators and other matters involved in the commission of any crime relative to the use, abuse or trafficking of any dangerous drug and/or controlled precursor and essential chemical as provided for in this Act and the provisions of Presidential Decree No. 1619;

(c) Administer oath, issue subpoena and subpoena duces tecum relative to the conduct of investigation involving the violations of this Act;

(d) Arrest and apprehend as well as search all violators and seize or confiscate, the effects or proceeds of the crimes as provided by law and take custody thereof, for this purpose the prosecutors and enforcement agents are authorized to possess firearms, in accordance with existing laws;

(e) Take charge and have custody of all dangerous drugs and/or controlled precursors and essential chemicals seized, confiscated or surrendered to any national, provincial or local law enforcement agency, if no longer needed for purposes of evidence in court;

(f) Establish forensic laboratories in each PNP office in every province and city in order to facilitate action on seize or confiscated drugs, thereby hastening its destruction without delay;

(g) Recommend to the DOJ the forfeiture of properties and other assets of persons and/or corporations found to be violating the provisions of this Act and in accordance with the pertinent provisions of the Anti-Money-Laundering Act of 2001;

(h) Prepare for prosecution or cause the filing of appropriate criminal and civil cases for violation of all laws on dangerous drugs, controlled precursors and essential chemicals, and other similar controlled substances, and assist, support and coordinate with other government agencies for the proper and effective prosecution of the same;

(i) Monitor and if warranted by circumstances, in coordination with the Philippine Postal Office and the Bureau of Customs, inspect all air cargo packages, parcels and mails in the central post office, which appear from the package and address itself to be a possible importation of dangerous drugs and/or controlled precursors and essential chemicals, through on-line or cyber shops via the internet or cyberspace;

(j) Conduct eradication programs to destroy wild or illegal growth of plants from which dangerous drugs may be extracted;

(k) Initiate and undertake the formation of a nationwide organization which shall coordinate and supervise all activities against drug abuse in every province, city, municipality and barangay with the active and direct participation of all such local government units and nongovernmental organizations, including the citizenry, subject to the provisions of previously formulated programs of action against dangerous drugs;

(l) Establish and maintain a national drug intelligence system in cooperation with law enforcement agencies, other government agencies/offices and local government units that will assist in its apprehension of big-time drug lords;

(m) Establish and maintain close coordination, cooperation and linkages with international drug control and administration agencies and organizations, and implement the applicable provisions of international conventions and agreements related to dangerous drugs to which the Philippines is a signatory;

(n) Create and maintain an efficient special enforcement unit to conduct an investigation, file charges and transmit evidence to the proper court, wherein members of the said unit shall possess suitable and adequate firearms for their protection in connection with the performance of their duties: Provided, that no previous special permit for such possession shall be required;

(o) Require all government and private hospitals, clinics, doctors, dentists and other practitioners to submit a report to it, in coordination with the Board, about all dangerous drugs and/or controlled precursors and essential chemicals which they have attended to for data and information purposes;

(p) Coordinate with the Board for the facilitation of the issuance of necessary guidelines, rules and regulations for the proper implementation of this Act;

(q) Initiate and undertake a national campaign for drug prevention and drug control programs, where it may enlist the assistance of any department, bureau, office, agency or instrumentality of the government, including government-owned and/or -controlled corporations, in the anti-illegal drugs drive, which may include the use of their respective personnel, facilities, and resources for a more resolute detection and investigation of drug-related crimes and prosecution of the drug traffickers; and

(r) Submit an annual and periodic reports to the Board as may be required from time to time, and perform such other functions as may be authorized or required under existing laws and as directed by the President himself/herself or as recommended by the congressional committees concerned.

Vision & Mission

## VISION

By 2030, we will have drug-resistant and self-policing communities.

PDEA's vision is aligned with the country's aspirations of having "Matatag, Maginhawa at Panatag na Buhay" under the Philippine Development Plan 2017-2022.

The Agency envisions that by 2030, the country will have drug-resistant and self-policing communities; thus, it fully commits to deliver and champion the reduction of the drug affectation in the country through the implementation of the Barangay Drug Clearing Program (BDCP).

## MISSION

PDEA commits to champion the reduction of the drug affectation in the country through the implementation of the Barangay Drug Clearing Program (BDCP) integrating therein supply and demand reduction strategies.

PDEA's mission is consonant with the marching order of President Rodrigo Roa Duterte to execute a relentless campaign against illegal drugs. To achieve this, the Agency implements the government's main anti-illegal drug strategy framework – the Barangay Drug Clearing Program.

*With the direction of the PDEA's Command Group, headed by Director General Undersecretary Wilkins M Villanueva (2nd from left), Deputy Director General for Administration Assistant Secretary Diosdado C Carreon (left), Deputy Director General for Operations Assistant Secretary Gregorio R Pimentel (2nd from right), and Chief of Staff Director Charlene R Magdurulang, PDEA's hopes and desires can come true.*

## CORE VALUES

PDEA's core values guide its Officers and personnel on how to conduct themselves personally and professionally. The values also reflect the capability of PDEA personnel in tackling the problem of narcotics in the country.

# PROFESSIONAL

We are committed to act with integrity in the performance of our duties, be proficient and reliable, and provide quality service to all our stakeholders.

*The PDEA Command Group is a model to the PDEA community for their professionalism in performing its duties.*

# DYNAMIC

We endeavor to be actively responsive with the changing trends and needs of the agency.

*Signing of PDEA-PNP Joint Memorandum Circular on the Unified Coordination Guidelines in the Conduct of Anti-Illegal Drug Operations on July 9, 2021*

# EXCELLENCE-DRIVEN

We strive to exceed expectations and deliver results of highest quality.

*ISO Technical Working Group during the Agency-wide certification of the PDEA National Office and all Regional Offices on November 17, 2021. PDEA is now ISO 9001:2015 QUALITY MANAGEMENT SYSTEM CERTIFIED AGENCY-WIDE.*

# ACCOUNTABLE

We take full accountability and responsibility for all actions and conduct in a manner that would earn respect, trust and confidence of the people.

*PDEA Director General Wilkins M. Villanueva, together with PNP Chief Guillermo Eleazar, during the destruction of Php1.295 billion worth of illegal drugs on June 23, 2021*

# PDEA ORGANIZATIONAL STRUCTURE

PDEA is headed by Director General, with the rank of Undersecretary, who is assisted by Deputy Director General for Administration and Deputy Director General for Operations, both with the rank of Assistant Secretary. They are all appointed by the President of the Philippines.

The Chief of Staff assists the Director General in the performance of his duties and leads in the implementation of his programs and projects.

There are five (5) Services under the administration cluster and eight (8) Services under the operations cluster, each headed by a Director. PDEA is represented in the 17 regions of the country through its Regional Offices each headed by a Regional Director, and in the 81 provinces of the country and five (5) districts of the National Capital Region through its Provincial and District Offices each headed by a Provincial Officer or District Officer.

Supportive of the efficient delivery of PDEA's services are the Public Information Office and the Internal Audit Division. These two (2) offices are directly under the Office of the Director General.

# PDEA WELCOMES NEW DEPUTY DIRECTOR GENERAL FOR ADMINISTRATION

*Assistant Secretary Diosdado C Carreon, MBA*
*Deputy Director General for Administration, PDEA*

The Philippine Drug Enforcement Agency welcomes the newly-appointed Deputy Director General for Administration, MAJOR GENERAL DIOSDADO CARAMAT CARREON, AFP (Ret), who was appointed by President Rodrigo Roa Duterte on September 1, 2021 as Assistant Secretary of the Agency.

On September 6, 2021, Assistant Secretary Diosdado C Carreon, MBA took his oath before Judge Felino Z. Elefante, Presiding Judge of RTC Quezon City Branch 103, at the PDEA National Headquarters, Quezon City.

The Agency's new Deputy Director General for Administration is a member of the Philippine Military Academy (PMA) "Hinirang" Class of 1987. For more than 37 years, he served in the infantry and intelligence units as a Unit Commander and a Staff Officer. His duties brought him from Luzon Island to as far as Mindanao. He also served as Commander of Military Intelligence Group 3 and as Commander of the Special Intelligence Force, both positions under the Intelligence Service–Armed Forces of the Philippines.

He also served in the United Nations as a military observer in East Timor and as Defense and Armed Forces Attaché to the Republic of Singapore.

He earned his Master's Degree in Business Administration from the Ateneo de Manila University.

His significant assignments in the Philippine Army were as follows:

- Commander, 40th Infantry "Magiting" Battalion;
- Commander, Joint Task Force Gensan;
- Commander, 601st Infantry "Unifier" Brigade;
- Commander, 6th Infantry "Kampilan" Division, Philippine Army; and
- Commander, Joint Task Force Central, WestMinCom, AFP.

From his long years in the military service, Asec Carreon brings with him a wealth of military experience in administration, operations, and intelligence, steadfast professionalism, excellent executive ability, and gentle leadership.

*Asec Carreon takes his oath before Judge Felino Z. Elefante, Presiding Judge of RTC Quezon City Branch 103.*

*PDEA DG Villanueva awards Asec Carreon the PDEA Badge during the Turn-over of Command ceremony on September 9, 2021.*

*Asec Carreon delivers his acceptance message during the Turn-over of Command ceremony.*

## PDEA ACADEMY

PDEA Academy was created pursuant to Section 85 of RA 9165 or The Comprehensive Dangerous Drugs Act of 2002.

Located at Camp Gen. Mariano N. Castañeda, Silang, Cavite, the PDEA Academy serves as the training institution for future Drug Enforcement Officers (DEOs) or PDEA Agents. The trainees undergo six months of rigorous exercises and instructions that are vital in becoming professional DEOs.

Since it accepted DEO-trainees in 2006, the Academy has produced 2,261 PDEA Agents comprising the 19 batches of trainees.

On March 8, 2021, in spite of the challenges of COVID-19 pandemic, PDEA Academy commenced the training of 94 DEOs, 63 males and 31 females, under DEO Basic Course Class 2021-19. After series of physical, emotional, mental, and organizational exercises and tests, only 83 graduated on October 22, 2021. The class named itself MARANGAL or Matapat at Responsableng mga Ahente na Naglalayong Gampanan ang Tungkulin Laban sa Droga.

## PDEA K9 UNIT

PDEA K9 unit plays a vital role in the anti-illegal drug campaign, particularly in reducing the supply of dangerous drugs. PDEA K9s, or the narcotics detections dogs (NDDs), aid in uncovering presence of dangerous drugs that are usually concealed to avoid detection by authorities.

In 2021, PDEA K9s nationwide supported 16,212 anti-illegal drug operations that resulted in the confiscation of 9.52 kilograms of Shabu, 7.16 kilograms of Marijuana, and 56,114 pieces of Ecstasy tablet and capsule, and arrest of 103 drug suspects.

In building the K9 capability of PDEA, the Agency embarks on training NDDs and K9 handlers to be deployed at airports, seaports, and other vulnerable areas in the country. Trainees undergo different modules to prepare them in the field.

On March 13, 2021, PDEA commenced the K9 Handlers and NDDs' Basic Course Class 2021-05 training at the PDEA K9 facility in San Jose Del Monte, Bulacan. The class, named MAGITING and composed of 62 K9 handlers and 66 NDDs, graduated on October 16, 2021.

## PDEA STRATEGY MAP

In 2021, PDEA launched its Strategy Map for 2021-2030 under the directive of PDEA Director General Wilkins M Villanueva. The Map represents the Agency's long-term plans aligned with PDEA's mandate and objectives.

The PDEA Strategy Map is a product of intensive and collaborative series of workshops attended by all National and Regional Directors, intended to identify strategic objectives and perspectives, integrate organizational activities, and ensure judicious utilization and allocation of resources.

## FINANCIAL CAPABILITY FOR FY 2021

In 2021, PDEA continued to bolster its accomplishments while maintaining fiscal prudence. The budget allocated for FY 2021 was designed to implement programs, activities, and projects that led to remarkable anti-illegal drug accomplishments in the country.

Under General Appropriations Act (GAA) for FY 2021, PDEA's budget increased by 16.45 percent or to Php3,237,680,000.00 from last year's Php2,780,295,000.00.

*Due to the prudent management and utilization of PDEA's budget, the Agency delivered multiple major drug hauls funded through the Agency's MOOE. In photo: 19.99 kilograms of Shabu seized by PDEA on July 24, 2021 in Bacoor City, Cavite.*

# THE PHILIPPINE DRUG SITUATION

**To effectively perform its mandate, PDEA monitors the drug situation of the country**

## PROFILE OF ARRESTED DRUG SUSPECTS

In 2021, a total of 50,565 drug suspects were arrested nationwide; 87 percent of whom were male.

Among the arrested drug suspects, 84.5 percent were arrested for violation of Section 5 (Sale, Trading, Administration, Dispensation, Delivery, Distribution and Transportation of Dangerous Drugs and/or Controlled Precursors and Essential Chemicals), RA 9165.

*Figure 4: Arrested Drug Suspects by Sex*

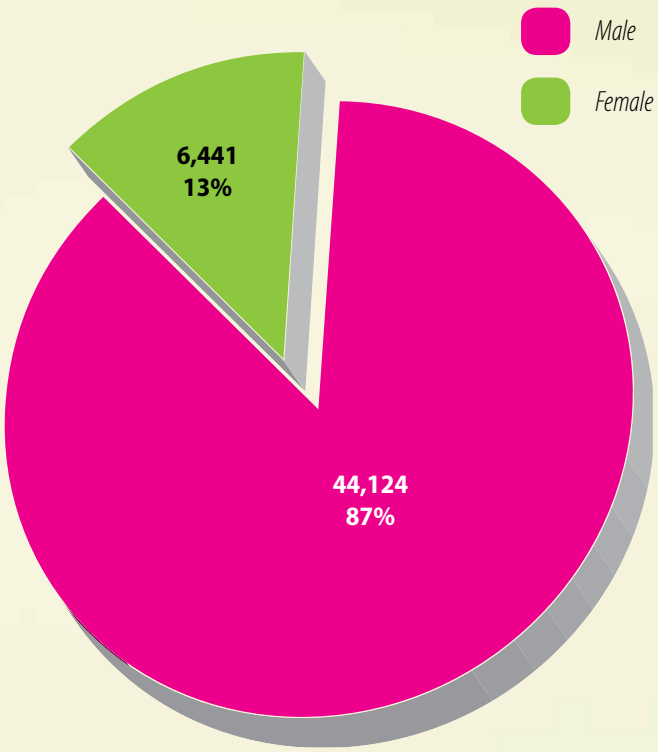

*Table 2: Classification of Arrested Drug Suspects by Violation*

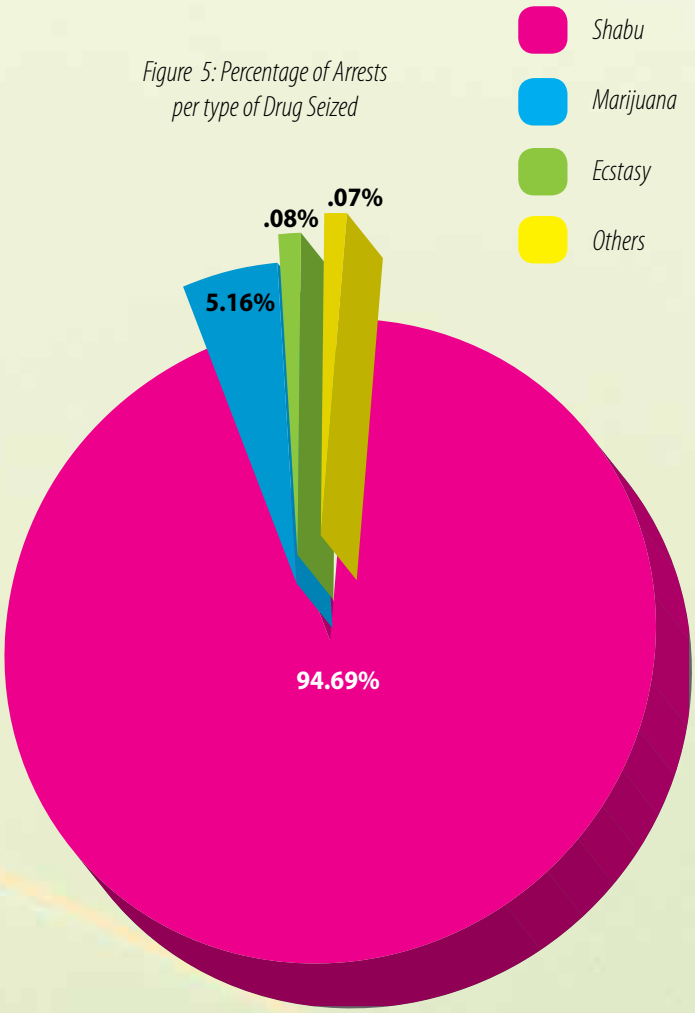

| Classification | Number |
|---|---|
| Pusher | 42,755 |
| Possessor | 3,741 |
| User | 2,195 |
| Drug Den Visitor/Client | 1,383 |
| Drug Den Owner/ Maintainer | 400 |

| Marijuana Cultivator | 19 |
| Clandestine Laboratory Worker | 5 |
| Marijuana Facility Owner/Maintainer | 2 |
| Protector/Coddler | 2 |
| **Total** | **50,565** |

## ARRESTS BASED ON DRUG SEIZED

In 2021, majority (94.69 percent) of the arrests of drug suspects involved seizure of Shabu.

Cannabis sativa or Marijuana then Methylenedioxymethamphetamine (MDMA) or Ecstasy followed as the second and third frequently seized illegal drugs from the arrested suspects.

*Figure 5: Percentage of Arrests per type of Drug Seized*

## DRUG ENTRY AND EXIT POINTS

As an archipelagic country with vast coastlines, the Philippines is vulnerable to illegal drug smuggling using the four (4) prevalent drug entry and exit points in the country namely: airport, seaport, coastline through shipside, and mail and parcel system.

The illegal drug trade was also affected by the immobility of people and goods caused by the COVID-19 pandemic. Due to this, drug syndicates resorted to smuggling using shipside and mail and parcel system in 2021.

## CONTINUOUS USE OF TEA PACKS AS PACKAGING OF SHABU

Transnational drug syndicates continued using Chinese tea packs as a method to conceal Shabu.

In 2021, a total of 37 anti-illegal drug operations resulted in the seizure of Shabu contained in tea packs with varying labels namely Chinese Tea Gift, Guan Yin Wang, Da Guan Yin, and the newest Alishan Jin Xuan Tea.

# PDEA'S ANTI- ILLEGAL DRUG STRATEGY

PDEA's programs, activities, and projects are anchored to its main anti-illegal drug strategy, the Barangay Drug Clearing Program, while integrating therein the supply reduction and demand reduction efforts of the Agency.

Implementation of these strategies and their support initiatives is reviewed and reinforced during Command Conferences attended by PDEA Officers and consultants.

*The PDEA mid-year Command Conference aims to review the accomplishments of PDEA operating units and to plan out courses of actions to ensure achievement of targets.*
*In 2021, the mid-year Command Conference was held on July 14-15.*

*Before the year ends, PDEA conducts Command Conference to review target accomplishment and push performance to achieve targets.*
*The yearend Command Conference for 2021 was conducted on November 23-24.*

## BARANGAY DRUG CLEARING PROGRAM

The Barangay Drug Clearing Program (BDCP) is the Agency's flagship program. It is a holistic and whole-of-a-nation approach in addressing the illegal drug problem. The program is designed to foster drug-cleared and self-policing communities.

In 2021 alone, through BDCP, 3,151 barangays were declared as drug-cleared and 1,160 barangays as drug-free, while 9,638 drug-cleared barangays were validated.

As of December 31, 2021, 24,253 barangays were declared as drug-cleared and 5,394 as drug-free.

### CLASSIFICATION OF BARANGAYS

Under the DDB Regulation No. 4, Series of 2021, these are four (4) classifications of barangay to determine the priority areas for the implementation of the Barangay Drug Clearing Program:

**Drug Unaffected Barangay** - a barangay that has never been plagued or beset by any PWUDs, pushers, drug den maintainer, coddler, protector, financier, cultivator, manufacturer and other illegal drug activity and illegal drug facility.

**Drug Affected Barangay** - a barangay that has reported and validated presence of PWUDs, pushers, drug den maintainer, coddler, protector, financier, cultivator, manufacturer and others.

Drug Affected Barangay is further classified as follows:

**Slightly Affected** - presence of identified PWUD/s;

**Moderately Affected** - presence of identified drug pusher/s and PWUD/s; and

**Seriously Affected** - existence of any of the following: clandestine drug laboratory, illegal drug warehouse, plant sources cultivation, drug den/tiangge and/or presence of identified drug den maintainer, coddler, protector, financier, cultivator, manufacturer and others.

**Drug-Cleared Barangay** - classified as previously drug affected, subjected to BDCP and declared cleared by ROCBDC.

**Drug-Free Barangay** - an Unaffected Barangay that has been vetted and confirmed by ROCBDC.

## BDCP House Visitation to Watch-Listed Personalities

BDCP aims to clear barangays from illegal drugs by providing Persons Who Use Drugs (PWUDs) and drug offenders with opportunities to be rehabilitated and reformed. House visitations are conducted by PDEA to personalities who are in PDEA-PNP certified Barangay Anti-Drug Abuse Council watch list to encourage them to undergo rehabilitation or reformation program.

*PDEA RO VII, together with Cebu City Police, conducts house visitation to a watch-listed personality in the city.*

*PDEA RO VI, together with Bais City Police Station, conducts house visitation to a watch-listed PWUD in Negros Oriental.*

# STRENGTHENING THE BARANGAY DRUG CLEARING PROGRAM

Amidst the pandemic, PDEA continues to strengthen the implementation of the Barangay Drug Clearing Program.

## Crafting and Approval of DDB Regulation No. 4, S. 2021

In 2021, PDEA achieved another milestone in strengthening the implementation of the Barangay Drug Clearing Program.

On July 29, 2021, members of the Dangerous Drugs Board approved the DDB Regulation No. 4, Series of 2021 entitled Sustaining the Implementation of Barangay Drug Clearing Program (BDCP) and Repealing for such purpose Board Regulation No. 3, Series of 2017 through the efforts of the PDEA BDCP Working Group for Monitoring and Validation (PB-WMV).

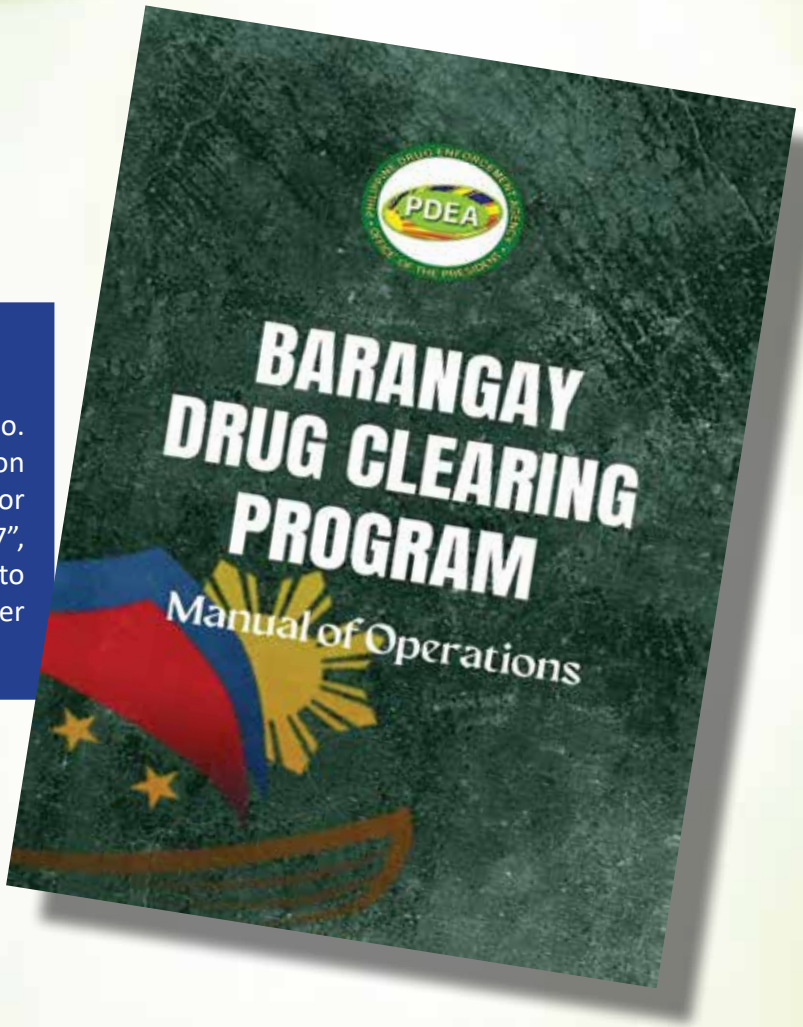

The Regulation aims to sustain the nationwide implementation of the Barangay Drug Clearing Program and accelerate efforts to reduce drug affectation in the country. It provides emphasis on the provision of appropriate intervention to identified Persons Who Use Drugs (PWUDs) and qualified pushers, and provides guidelines and procedures for vetting and confirmation, and declaration of drug-affected into drug-cleared barangay, municipality, city, and province.

*DDB Regulation No. 4, Series of 2021 was approved during the Dangerous Drug Board 194th Regular Meeting (8th Special Online Session) held on July 29, 2021.*

## Creation of the BDCP Manual

In line with the approval of DDB Board Regulation No. 4, Series of 2021 or "Sustaining the implementation of Barangay Drug Clearing Program and repealing for such purpose Board Regulation No, 3, Series of 2017", PDEA launched the BDCP Manual of Operations to provide clear and standard guidelines in the proper implementation of the Board Regulation.

*BDCP Manual of Operations is a result of DG Villanueva's course to make the program implementation sustainable.*

*PDEA Command Group, Regional Directors, Service Directors, and Consultants raise their copy of the BDCP Manual of Operations after the book signing by DG Villanueva on November 24, 2021.*

## Clearing of Provinces and Municipalities

On August 9, 2021, the province of Camiguin was declared as drug-cleared, the first province in the Philippines to get the status. Its five municipalities, namely, Catarman, Mambajao, Sagay, Guinsiliban and Mahinog were also declared drug-cleared.

In addition, two municipalities in Region II namely Sanchez Mira, Cagayan and Quezon, Isabela were also declared as drug-cleared municipalities.

These municipalities are now in the sustainability stage of the BDCP implementation.

With these accomplishments, PDEA adheres to clear more barangays as it envisions a drug-cleared Philippines.

*To help the province of Camiguin remain drug-cleared, PDEA BDCP Working Group for Monitoring and Validation (PB-WMV) conducts interview and on-site assessment of the BDCP sustainability program in the municipality of Mahinog.*

## Barangay PDEA Facebook Page

Barangay PDEA FB page communicates updates and activities related to the implementation of BDCP. In 2021, PDEA maximized the utilization of the page to reach more Filipinos.

The page has gained at least 14,000 followers that is indicative of the public's support to the program.

*Barangay PDEA FB page also serves as an effective medium to communicate success stories of BDCP.*

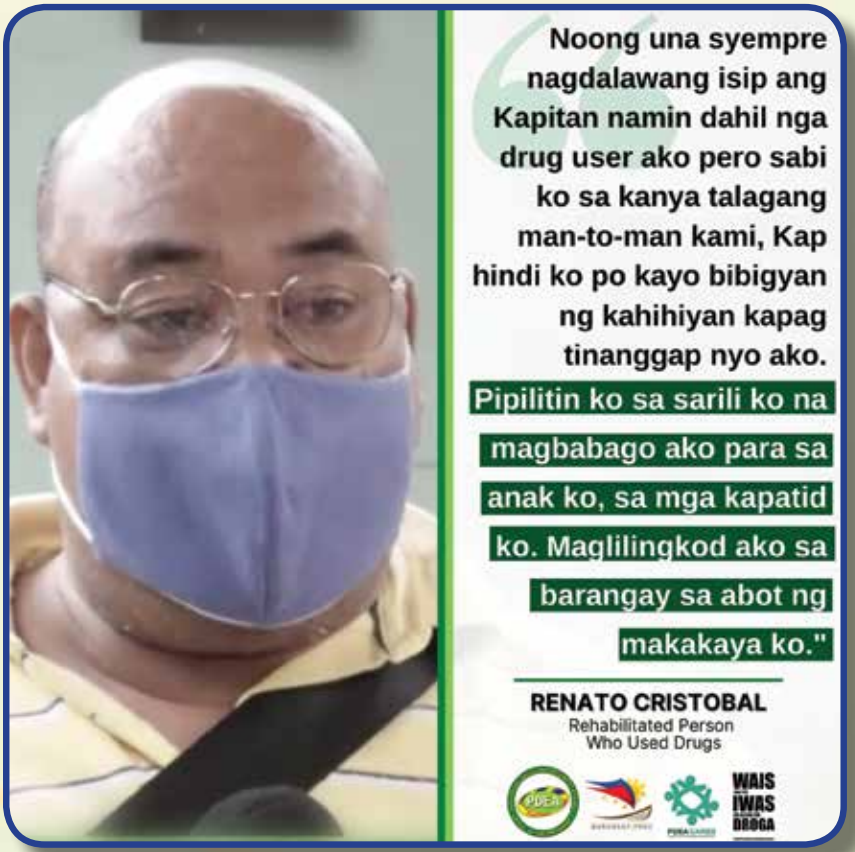

*Updates on BDCP implementation in the regions are also showcased on the Barangay PDEA FB page.*

## BDCP SUCCESS STORIES

The Barangay Drug Clearing Program makes difference in the lives of the Filipino people. Through the opportunities provided by the program to Persons Who Use Drugs (PWUDs) and drug offenders to undergo rehabilitation and reformation program, their lives and their families' are changed for the better.

A total of 55,169 PWUDs from drug-cleared barangays in 2021 underwent appropriate intervention, including community-based drug rehabilitation program, facility-based rehabilitation program, general intervention, and Balay Silangan Reformation Program. They are now reintegrated to their families and society.

## FORMER DRUG USER, NOW AN ADVOCATE OF PEACE AND ORDER

For more than two decades, Renato Cristobal had been engaging in illegal drug activity. Since 1989, when he first used Shabu at the age of 19, he always turned to the substance whenever he needed comfort. He often used it during work to stay awake and to satisfy his addiction.

He was caught by authorities several times, but still returned to his illegal drug activities.

After some time, Renato realized that the situation was already out of his control and he was tired of what is happening in his life. He decided to quit his addiction and start his new life.

At first, it was difficult since he depended more than half of his life to illegal drugs, but with the help of the Barangay Drug Clearing Program and other government programs, Renato was eventually rehabilitated.

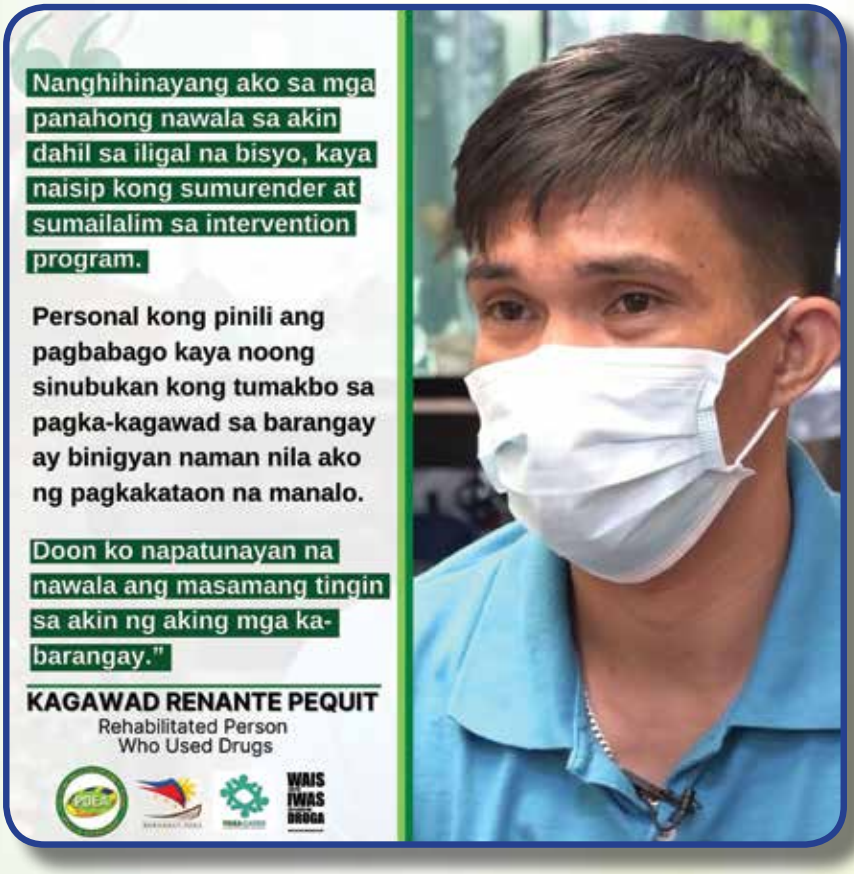

Their barangay gave him the opportunity to change his life by giving him a job. For four (4) years now, Renato serves as a Chief Tanod of the barangay.

## FORMER DRUG USER, NOW A SERVANT IN HIS BARANGAY

It was in his college years when Renante was encouraged by his peers to use illegal drugs. For almost nine years, he continued his vice. He was not able to finish his studies and even lost his drive to pursue his dreams in life.

He tried to quit several times but failed until he had his own child. He realized then that he really needed to end his illegal drug activities. To be successful in his transformation, he started to distance himself from his friends who introduced him to drug use. Also, he voluntarily surrendered and underwent rehabilitation program in their barangay.

After intervention, Renante's life changed and people in their barangay noticed it. He lived stigma-free and decided to run for Barangay Councilor. He won as his constituents gave him their approval and support. As a Councilor, he is a big help to the barangay especially in sustaining their status as drug-cleared barangay.

## SUPPLY REDUCTION ACCOMPLISHMENTS

In pursuit to eradicate illegal drugs, PDEA and other law enforcement agencies conducted 35,612 anti-illegal drug operations that resulted in the arrest of 50,565 drug suspects and seizure of tons of dangerous drugs.

During the year, 33,877 drug cases were also filed in courts. Further, 13,579 drug cases were resolved, 11,525 or 84.87 percent of which resulted in the conviction of the drug personalities.

## INTER-AGENCY COMMITTEE ON ANTI-ILLEGAL DRUGS (ICAD)

The Inter-Agency Committee on Anti-Illegal Drugs (ICAD) continues its efforts in unifying, integrating, and synchronizing the anti-drug strategy of the government since its inception on March 6, 2017, when President Rodrigo Roa Duterte signed Executive Order No. 15.

At present, ICAD is on its fourth year of service. The Committee is active in performing its mandates with its 50 member-agencies and its four (4) function clusters, namely, Enforcement (led by PDEA), Justice (led by DOJ), Advocacy (led by DILG), and Rehabilitation and Reintegration Clusters (led by DOH and DSWD) that work hand-in-hand towards attaining the vision of drug-resistant and self-policing communities in the country.

In 2021, ICAD regularly met that led to the achievement of administrative and operational gains:

- Issuance of Dangerous Drugs Board Regulation No. 4, Series of 2021 re: Sustaining the Implementation of Barangay Drug Clearing Program and Repealing for such Purpose Board Regulation No. 3, Series of 2017;
- Finalization of "Unified Manual on the Investigation and Prosecution of Illegal Drugs Cases";
- Production of ICAD TV and Radio program;
- Unification of Rehabinasyon and ICAD Advocacy Cluster Websites;
- Launching of the Communication Plan of WAIS ang PAG-IWAS sa Iligal na DROGA;
- Engagement of Rehabinasyon activities with its messaging buckets, #RealNumbers, #RealSolutions and #RealStories;
- Provision of support and assistance through rehabilitation and reintegration programs for Persons Who Use Drugs (PWUDs) and surrenderers;
- Strengthening of the implementation of the Philippine Anti-Illegal Drugs Strategy (PADS); and
- Utilization of Anti-Drug Abuse Council Reporting System (ADAC-RS) as the central repository of the data gathering relative to the Community-Based Drug Rehabilitation Program (CBDRP).

*ICAD Chairman, PDEA Director General Wilkins M Villanueva, along with Enforcement Cluster Head, PDEA Deputy Director General for Operations, Asec Gregorio R Pimentel; PDEA Chief of Staff, Director Charlene R Magdurulang; and ICAD Head Secretariat, Director Wardley M Getalla, leads the conduct of 17th ICAD Regular/Virtual Meeting. The meeting was held virtually on June 17, 2021.*

*Member-agencies of ICAD actively participate during the ICAD regular meetings.*

## DANGEROUS DRUGS BOARD SUPPLY REDUCTION COMMITTEE (DDB SRC)

In 2021, the DDB Supply Reduction Committee (SRC) remained steadfast in crafting policies to support and intensify the government's campaign against illegal drugs.

In spite of the COVID-19 pandemic restrictions, the Committee was relentless in providing assistance to the Dangerous Drugs Board in creating policies and guidelines towards implementation of prevention and control measure to eradicate, or at least minimize, the illicit manufacture, production, processing and trafficking of dangerous drugs and controlled precursors and essential chemical, and in strengthening the investigatory, prosecutorial and judicial drug control capabilities of the government.

In line with its functions, the Committee endorsed to the Board the issuance of the following policies and guidelines:

1. Board Regulation sustaining the implementation of Barangay Drug Clearing Program (BDCP), and repealing for such purpose Board Regulation No. 3, Series of 2017;
2. Board Regulation amending certain sections of Board Regulation No. 1, Series of 2016, entitled: Guidelines in the Implementation of: "Operation Lawmen";
3. Board Regulation recommending guidelines for the implementation of Section 20 of RA 9165, specifically last paragraph thereof, to deduct or claim from the proceeds and properties derived from the unlawful act committed which will be used to cover the cost necessary for the maintenance and preservation of seized item/s pending trial of the case and as well as the subsequent award of the confiscated property/items of lawful commerce in favor of the operating unit;
4. Board Regulation amending Section 11 (d) of Board Regulation No. 5, Series of 2003, entitled: Guidelines in the Implementation of Operation: "Private Eye"; and
5. Board Resolution recommending the inclusion of three (3) new members: Bureau of Immigration (BI), National Intelligence and Coordinating Agency (NICA) and Philippine Coast Guard (PCG) to the Composition of SRC with vital roles in providing assistance and recommendations in improving policies on anti-drug campaign matters.

Amidst the year's challenging times, the Supply Reduction Committee proved that consistency defeats difficulties.

## Successful Anti-Illegal Drug Operation with Royal Malaysian Police

On October 16, 2021, a successful interdiction operation at Port of Tanjung Pelepas, Gelang Patah, Johor, Malaysia was accomplished through the collaboration between PDEA and the Royal Malaysian Police. The operation that resulted in the seizure of 398.28 kilograms of Shabu emanated from an information shared by PDEA to the Malaysian counterpart about the presence of illegal drugs in a shipment discharged at the port.

Declared as a coffee bean, the drug was intended for shipment to the Philippines. The operation meant prevention of the drugs from reaching the communities.

*Fourteen (14) sacks containing 398.28 kilograms of Shabu seized.*

## vaccination rate for eligible PDEA personnel

## RESPONSE TO COVID-19 PANDEMIC

To support the government's campaign against COVID-19 and to protect the Agency's personnel, PDEA facilitated vaccination for its personnel.

As of December 31, 2021, 100% of the Agency's eligible personnel nationwide were fully-vaccinated.

*PDEA DG Villanueva serves as an inspiration to the personnel in submitting themselves to vaccination.*
*On June 5, 2021, he received his 2nd dose of anti-COVID-19 vaccine from the LGU of Quezon City.*

*PDEA personnel wait their turn to be vaccinated with second dose. The vaccination was held on July 2, 2021 at the East Avenue Medical Center, Quezon City.*

# ISO 9001:2015 AGENCY-WIDE CERTIFICATION

PDEA takes pride of being ISO 9001:2015 Quality Management System certified Agency-wide, the first among law enforcement agencies.

The certification is in line with PDEA's value for excellence and guarantee to give high-quality service to the people, which is at par with international standards.

The certification was obtained after passing the stringent validation and site inclusion external audit conducted by the Certification International Philippines (CIP) - a certification body that grants the holder adherence to International Organization for Standardization (ISO) standards – on November 15-17, 2021.

*PDEA DG Villanueva, together with DDGA Asec. Carreon (left most) and Chief of Staff Dir. Magdurulang (center), leads the Agency in the closing session of the external audit by CIP.*

*PDEA DG Villanueva and the PDEA ISO Team that was instrumental in the Agency's consistent compliance with ISO international standards.*

*PDEA congratulates its National and Regional Offices for being ISO 9001:2015 Quality Management System Certified Agency-wide.*

## STRENGTHENING MANPOWER CAPABILITIES

In spite of the challenges brought by the COVID-19 pandemic, PDEA further strengthened its manpower capabilities.

### Hiring and Promotion of Personnel

In 2021, a total of 134 new personnel were added to the roster of PDEA workforce and 125 personnel were promoted. These newly hired and promoted personnel took oath before PDEA Director General Villanueva.

*Oath taking of newly-promoted personnel for plantilla positions with salary grade 15 nationwide on June 7, 2021*

*Oath taking of newly-promoted personnel for plantilla positions with salary grades 18-24 on June 25, 2021*

*Oath-taking of newly-promoted Director III and Director II Officers on December 20, 2021*

## CAPABILITY ENHANCEMENT TRAININGS

## LOGISTICAL CAPABILITY ENHANCEMENT

Recognizing the importance of bolstered logistical capability in performing the mandate of PDEA, the Agency enhanced its firepower and protective equipment, infrastructure, and other logistical resources.

*Cal. 45 Jericho firearms distributed to the PDEA Agents*

### 1:1 ratio for Short Firearm and Modular-type Vest to Drug Enforcement Officers

In line with the thrust of PDEA DG Villanueva that all Drug Enforcement Officers (DEOs) must be equipped in conducting anti-illegal drug operations, the Agency achieved 1:1 ratio for short firearm and modular-type vest to DEOs.

In 2021, the Agency issued 248 units of newly procured Cal. 45 "Jericho" firearms to DEOs, including those from Class Marangal, the newest batch of DEOs.

In addition, PDEA procured 1,183 units of modular-type vest that led to equipping all DEOs with the vest.

To support the Agency's operational expansion, PDEA augmented the firearms requirement of the operating units through the issuance of 190 units of newly delivered Galil long firearms.

*PDEA DG Villanueva, together with the Command Group, awards the service firearm and modular-type vest to the newly-graduated member of DEO Class Marangal during the graduation ceremony on October 22, 2021.*

## PDEA Multi-Purpose Building

The PDEA Multi-Purpose Building is part of the Agency's continuing expansion program to address the increasing logistical and manpower needs of the Agency. The building was completed with the assistance of the Department of Public Works and Highways (DPWH).

On May 28, 2021, PDEA inaugurated the building. It houses the medical clinic, dental clinic, canteen, conference rooms, and additional quarters for personnel.

*Fr. Gilbert Sones of the Military Ordinariate of the Philippines officiates the blessing of the building.*

*PDEA DG Villanueva, together with Usec. Earl Saavedra (left) of the Dangerous Drugs Board and Usec. Roberto Bernardo of DPWH (center), cuts the ribbon during the inauguration of the building.*

## INTERNAL CLEANSING

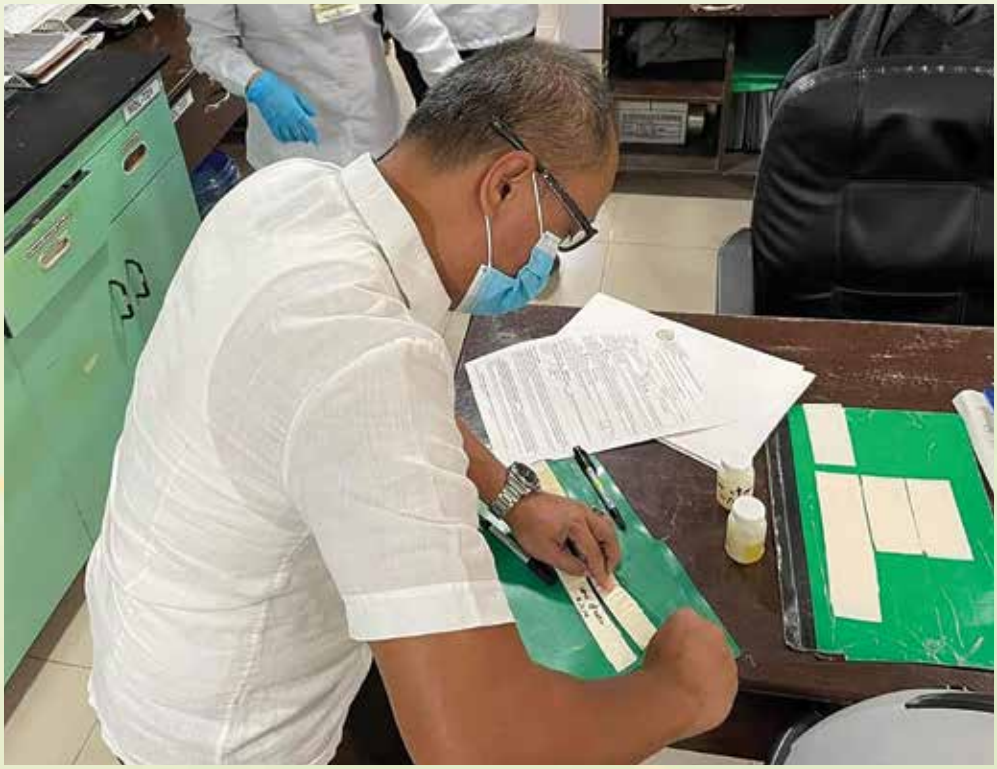

PDEA ensures the integrity of the Agency and its people through its internal cleansing efforts.

In 2021, PDEA conducted investigations that led to suspension of 14 personnel and dismissal of four (4) personnel from the service.

PDEA also facilitated the conduct of mandatory drug tests to its personnel to ensure that the Agency is a drug-free workplace. None of the tested personnel yielded positive result for drug use.

*PDEA DG Villanueva submits his urine specimen for the conduct of drug test during the Agency's mandatory drug testing to personnel on January 18, 2021 at the PDEA National Headquarters, Quezon City.*

*PDEA Regional Office VII Regional Director Levi S Ortiz submits his urine specimen during the mandatory drug test to personnel of the office on December 6, 2021.*
